## PW100FR-C20Y

- Slot pattern provides improved flexibility and abrasion protection
- Unique wall design allows easy wire or cable breakouts
- Innovative design maintains uniform bundle protection in dynamic applications; large overlap accommodates a wide range of bundle diameters
- Packaged on a reel for convenient handling and dispensing of product
- Patented installation tool with 180° opening allows easy loading of maximum bundle diameters to speed installation

Notes:
1) Order number of reels required.
2) Diameter can be further reduced with the use of cable ties.
3) Flame retardant products are manufactured from a material that is rated UL 94V -0.
