

3M™ Scotchcast™ 82-BF1 Flexible Power Cable Tap Splice Kit

 [Printer-friendly format](#)

[\[click to enlarge\]](#)

3M™ Scotchcast™ 82-BF1 is for use on unshielded portable power cables and cords. 82-BF1 can be used on single conductor or multiple conductor cables using a compression "C" tap connector.

Additional Information

3M™ Scotchcast™ 82-BF1 molds are removable and reusable. The 82-BF1 is a permanent splice as assigned by the Mine Safety and Health Administration. Connectors are not included, order separately. Each kit makes one splice.
