

May 31, 2012

This letter is to confirm that Cornell Dubilier capacitors **DO NOT** contain any materials that are purchased or manufactured by the Democratic Republic of Congo or any adjoining countries.

Cornell Dubilier's policy is to request "Conflict Free" Mineral declarations from its suppliers and to require our direct suppliers to source from smelters validated as DRC "Conflict-Free" using the EICC-GeSI Conflict-Free Smelter(CFS) List. In the event that a mineral is not "Conflict Free", Cornell Dubilier will perform a corrective action by enforcing that the mineral be obtained from a "Conflict-Free" source."

Sincerely

Quality Assurance Manager
