EU REACH Regulation (SVHC 205)

In 2007, the European Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered into force. As of January 2020 the list contains 205 Substances of Very High Concern (SVHCs).

Global Connector Technology can confirm all standard product(s), as stated above, do not contain SVHCs at levels in excess of 0.1% w/w, and therefore no products require REACH registration:

We work closely with our suppliers regarding chemical usage to ensure the meeting all regulations. In the future, if our monitoring indicates a change in Reach status for any product we supply we will inform that customer(s) accordingly and register that chemical with Reach.

Compliance with The Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65)

Global Connector Technology certify that all standard parts, as stated above, comply with The Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65) based upon the list of chemicals published under this legislation on December 29, 2017.

We work closely with our suppliers regarding chemical usage to ensure the meeting all regulations. In the future, if our monitoring indicates a change in the published lists of chemical which relates to any product we supply we will inform customers accordingly.

Declaration of Asbestos-free Status of GCT Products

Global Connector Technology certify that all standard parts, as stated above, are free from asbestos and asbestos-related compounds.

Declaration of Free from Ozone Depleting Substances

Global Connector Technology certify that all standard parts, as stated above, are free from Ozone Depleting Substances.

Declaration of Compliance with Stockholm Convention (Persistent Organic Pollutants)

Global Connector Technology certify that all standard parts, as stated above, are free from all 33 Persistent Organic Pollutants currently within the scope of the Stockholm Convention.

Declaration of Compliance with EU Radioactive Substances Regulations

Global Connector Technology certify that all standard parts, as stated above meet the following requirements of EU Regulation 2013/59/EURATOM:

<http://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:32013L0059&from=EN>

Declaration:

We declare that the above-named GCT products comply with and conform to the above-stated requirements, standards and legislation:
