## install & maintain

Suffix numbers are used to extend numbers or to create alpha-numeric cods. For example, adding suffix number 10 to number 700 creates 70010.

- Marker cards printed in a variety of legends allows 'kitting' for project builds
- Plastic liner provides easy removal of markers while protecting unused markers

|                           |                                        |
|---------------------------|----------------------------------------|
