Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

The current version of the Thermomark Card printer has been discontinued to be succeeded by the new version : Thermomark Card 2.0. The Thermomark Card 2.0 has the same dimensions, print technology and performance. The additional features include:

- A color touchscreen with pre-loaded self-help videos
- An added USB port on the front side

The stock is now zero on the original Thermomark Card printer . All incoming orders will be switched to the new part number.

The current "Build a Bundle" promotion will remain the same and the form with the new part number will be available on the Super Store in the near future.

Please contact Technical Support with any questions .
