*Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.*

#### Description for Product Discontinuation

The current version of the Thermomark Roll printer has been discontinued to be succeeded by the new version : **Thermomark Roll 2.0**. The Thermomark Roll 2.0 has the same dimensions, print technology and performance. The additional features include:

- Color touchscreen with pre-loaded self-help videos
- An added USB port on the front side
- Small modifications internally for ease of use

The original Thermomark Roll printer will be available until stock is zero , at which time you can begin ordering Roll 2.0. The current Roll Printers promotion will remain the **same** and the form with the new paperwork can be downloaded from the Super Store.

Please contact Technical Support with any questions.
